Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Wednesday 31 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Very warm today with sunny spells.

Today:
A fine and dry day across the region with a mixture of cloud and sunny spells. Feeling very warm again today, especially in any sunshine. Maximum temperature 22 deg C (72 deg F).

Tonight:
Dry with plenty of clear spells at first but turning cloudier during the early hours as cloud makes its way into the region from the north. Minimum temperature 7 deg C (45 deg F).

Thursday:
A cloudy start but gradually turning brighter by the afternoon. Feeling cooler than of late as temperatures move back down to average. Cold overnight with a risk of frost. Maximum temperature 14 deg C (57 deg F).

Outlook for Friday to Sunday:
Largely dry with sunny spells on Friday and Saturday, but feeling chilly during the night with a risk of frost. Windy with outbreaks of rain later on Sunday.
